BRAND IDENTITY SYSTEM — V1.1 — JUNE 2026

The Kit Loop.

Five colours. One voice. A complete system for every surface the brand touches.

01 — COLOUR

Five-Colour System

⬜ Ivory	#E9E2E4	RGB 233, 226, 228	Background · Reversed type
⬛ Charcoal	#3B3838	RGB 59, 56, 56	Primary dark · Nav · Type
🟩 Deep Teal	#206954	RGB 32, 105, 84	Brand secondary · Links
🟥 Terracotta	#AF513B	RGB 175, 81, 59	Accent · CTAs · Energy
🟦 Sky	#95C4D1	RGB 149, 196, 209	Highlight · On dark surfaces

APPROVED COMBINATIONS

CHARCOAL + IVORY	The Kit Loop	Nav · Headers · Dark sections
TEAL + IVORY	The Kit Loop	Heroes · Sections · Email
TERRACOTTA + IVORY	The Kit Loop	CTAs · Alerts · Social stats
IVORY + CHARCOAL	The Kit Loop	Surfaces · Cards · Body
CHARCOAL + SKY	The Kit Loop	Dark callouts · Highlights

DO

Dark surfaces	Charcoal or Teal bg → Ivory text
CTAs	Terracotta bg → Ivory text, always
Highlights (dark)	Sky for emphasis text on Charcoal/Teal
Body text	Charcoal on Ivory · never pure black
Links	Teal · hover → Terracotta

DON'T

White backgrounds	Use Ivory (#E9E2E4), not #FFFFFF for large areas
Sky on Ivory	Fails contrast — never for body text
Terracotta body text	CTA/badge use only — not paragraphs
Teal + Terracotta as equals	One must dominate — never 50/50
Unapproved colours	No off-system greys, blues, or greens

12 — SOCIAL MEDIA

Social Posts — Hero Image

Each post uses a full-bleed sport action image as the base layer, with a directional gradient overlay drawn from the palette, then hero text locked to the lower third. The overlay opacity is calibrated so the image reads clearly while text achieves full contrast.
